

## Industry Bulletin August 28, 2013 – LED Light Therapy

The Board of Barbering and Cosmetology (Board) would like to make its licensees and consumers aware that it is out of the scope of practice for a Board licensee to perform an LED light therapy treatment in a licensed establishment. Title 16, Division 6, Section 991 (a), of the California Code of Regulations states in part:

### **991. Invasive Procedures**

*(a) No licensee may perform any act which affects the structure or function of living tissue of the face or body. Any such act shall be considered an invasive procedure.*
